This series is a double conversion Power Converter which produces stable pure sine wave voltage and frequency output (O/P). With this Converter, you can protect your ...

The design criteria have been to produce a true sine wave inverter with optimised efficiency but without compromise in performance. Employing hybrid HF technology, the result is a top ...

Shop 230V 50Hz inverters from Unbound Solar. Offering the top brands and a varied selection of 230V 50Hz inverters.

The design criteria have been to produce a true sine wave inverter with optimized efficiency but without compromise in performance. Employing hybrid HF technology, the result is a top ...

Buy frequency converters to change 110v/120v 60Hz to 208v/220V/230V/240V 50Hz by built-in transformer, up to 400Hz, convert fixed Hertz to variable Hz power supply.

The modified sine wave inverter can be applied to laptops, televisions, combination audio systems, cameras, and digital devices If the power consumption exceeds 100W for a long ...
