The new giga factory in Abu Dhabi, supported by upgrades to an existing 6GWh facility, will enable Enercap to meet rising demand ...

UAE firms Enercap Holdings and Apex Investments have formed a joint-venture to build 16GWh per year supercap energy storage - which will host the largest capacity in the world.

The facility will cater to the growing demand for energy storage systems, particularly in powering homes, electric vehicles, and various industrial applications. This collaboration underscores a ...

The Abu Dhabi Department of Economic Development (ADDED) has signed a Memorandum of Understanding (MoU) with Emirates Global Industries - Alfahim Group to enable the ...

The new giga factory in Abu Dhabi, supported by upgrades to an existing 6GWh facility, will enable Enercap to meet rising demand across the Middle East, Africa, and beyond.

Our Energy Storage Solutions (ESS) can be used in a wide range of applications, such as charging systems for electric vehicles, powering residential homes and buildings, providing ...
