Al Masaood Power Division, a part of a leading Abu Dhabi business conglomerate, Al Masaood Group, has officially signed a MoU with Instagrid - a global pioneer in portable ...

VOLTS is first energy storage made in the UAE. System provides a reliable power supply, providing houses with electricity when they are cut off from the grid or with clean solar ...

As Abu Dhabi increases its renewable energy capacity (notably solar farms), the intermittent nature of these sources poses challenges for the electrical grid.

One growing sector that deserves attention is the power bank manufacturing industry. A number of tech companies in Abu Dhabi are now producing high-quality power ...
