Electronic Concepts Inc. is a recognized and respected manufacturer of film capacitors. Our expertise and knowledge helps drive our innovations.

This article presents a comprehensive list of global capacitor manufacturers, covering market leaders, regional players, and specialized brands, along with their product ...

Among CDE's 35,000 worldwide customers are leading manufacturers of welders, UPS systems, motor drives, medical imaging, medical lasers, semiconductor processing, and inverters for ...

Kendeil Group is one of the leading producers of power electronic capacitors for high-power inverter applications, including industrial motor drives, UPS, and battery chargers.

Four low-cost capacitors are used in the application solution to provide up to 250 mA of output current. The regulated output for the device is adjustable between -1.5 V and -5 ...

View the line of inverters designed specifically for high-power filter applications from film capacitor manufacturer Electronic Concepts Inc. Explore a series of inverters from Unlytic film ...
