Will the Dominican Republic 'deepen' trade relations with China?

Beijing,China -- The fact that the Dominican Republic has become "one of the most reliable partners of the United States," as President Luis Abinader recently stated,is no obstacle to the government's efforts to "deepen" trade relations with China.

Should the Dominican Republic buy Chinese products?

In other words, instead of buying in China, stores in the Dominican Republic would buy Chinese products there, but at a lower price because they would not have to pay for the import and export logistics chain," said the ambassador.

How many Dominicans live in China?

605 Dominicanslive in China The phrase "Dominicans are everywhere" is no less accurate in China. This Asian country,which has a 12-hour time difference from the Dominican Republic,has 605 Dominicans. However,the figure could vary according to the census carried out by the EmbasEmbassyonfirm.

Does the Dominican Republic have a free trade agreement with China?

"This is even though the country does not have a free trade agreement with China," nor a trade agreement that allows the Dominican Republic to enter that Asian market on a preferential basis." "Hass avocados can now enter China. We have a quota of 70,000 cigars here. We can only bring in five brands,which is a negligible amount.
