What is shipping container camping?

Campers also seem increasingly interested in exploring new ways to camp, like glamping or RV excursions. Shipping container camping also made the cut, helping provide the camping industry with a functional, safe, and aesthetic alternative. Below, we'll explore what it's really like to spend time at a campsite made entirely from cargo containers.

Are shipping container cabin units a good option for glamping?

Glamorous camping or 'glamping' has become somewhat of a buzzword as of late. It refers to a camping experience that combines the serenity of nature with a resort-style experience. Shipping container cabin units provide the perfect way to achieve this experience.

What is a prefabricated container house?

A prefabricated container house is a sustainable building solution for expanding site camps, designed to be energy-efficient and flexible working spaces. The 20ft (6m) container house is the base model self-contained unit.
