Where can I buy a genuine switchgear?

Switchgears are the backbone of your power system, so be sure only to buy genuine products online. MJS Electrical Supplies only carry authentic products that can fit any budget. When you're looking for an economical and inexpensive solution but don't want to compromise on quality, we've got your needs covered.

Where are switchgears made?

All of these switches are manufactured in Australia using only high-quality materials. Your safety is our priority. That is why we have chosen products that pass the safety requirement. Switchgears are the backbone of your power system, so be sure only to buy genuine products online.

What is switchgear?

Switchgear is everything from electrical powerpoints to electrical switches, tv points and data points & outlets, as well as separate mechanisms and special types of powerpoints. If there is an item which is not listed here please contact us.

Why should you buy connected switchgear?

WHY BUY CONNECTED SWITCHGEAR? Connected Switchgear is a 100% Australian owned and operated electrical manufacturer and supplier. This means that we have an intimate knowledge of the electrical industry in Australia. We also have a clear understanding of what the discerning electrical contractor requires from trusted quality electrical products.
