Where is the German Armed Forces storage area?

from usarmygermany.com The German Armed Forces used to be in command of the Laffenau Ammu Storage Area (ASA) near Heideck (about 30 miles south of Nuremberg, close to Roth) in the 1990's until the Storage Area was closed by the end of 1997.

What is interim storage in Germany?

The concept of interim storage in Germany is founded upon a national strategy for the safe and responsible disposal of radioactive waste, namely the national disposal programme. The responsibility for interim storage lies with state actors, who perform a variety of tasks throughout the process.

Can you bring a vacuum cleaner to Germany?

VACUUMS -- Vacuum cleaners can operate using a transformer, but you will need to test the vacuum's polarity using a polarity tester to ensure you don't damage the motor. The same holds true for any appliance with a motor. You can purchase these gadgets at the local Exchange. MICROWAVES -- Personnel are encouraged to not bring microwaves to Germany.
