What is Kazakhstan's government doing in Almaty?

Some of the force is guarding government facilities in the capital, Nur-Sultan, which "made it possible to release part of the forces of Kazakhstani law enforcement agencies and redeploy them to Almaty to participate in the counter-terrorist operation," according to a statement from Tokayev's office.

Why should Kazakhstan collaborate with Envision Energy & Kazakhstan utility systems?

"Collaboration with Envision Energy and Kazakhstan Utility Systems presents Kazakhstan with unique opportunities to advance renewable energy development and localize high-tech production," said Sabyrgali Idrisov, chief executive officer of Kazakhstan Utility Systems.

What does Kazakhstan's Green Energy Agreement mean for the economy?

The agreement aims to enhance Kazakhstan's renewable energy capacity, drive local economic development, to accelerate the country's transition to a green economy.

Why should Kazakhstan partner with Samruk Energy?

The project will enable Kazakhstan to stable energy supply while reducing reliance on external energy imports, thereby enhancing national energy security and supporting the achievement of its sustainable energy goals. "We are excited to partner with Samruk Energy and Kazakhstan Utility Systems on this pioneering initiative."
