Why should you choose energy solutions in Kosovo?

Clean energy solutions designed to enhance efficiency and sustainability for homes across Kosovo. Comprehensive energy systems tailored to meet the unique needs of businesses locally and regionally. Advanced energy infrastructure solutions optimized for industrial operations in Kosovo and surrounding areas.

Who is Unisolar?

Based on previous personal experiences in energy systems and having it all the necessary European qualifications for photovoltaic systems, the two co-founders established company Unisolar L.L.C., with the aim of reaching the heights of a successful business in the field of renewable energy in Kosovo and wider.

What can teravolti do for Kosovo?

Advanced energy infrastructure solutions optimized for industrial operations in Kosovo and surrounding areas. Innovation in: North Macedonia, Albania, and partnerships across Europe, Asia, and North America. Explore our project portfolio and see how Teravolti is transforming Kosovo and the region with clean, sustainable solar energy solutions.

Technological advancements are dramatically improving solar storage container performance while reducing costs. Next-generation thermal management systems maintain optimal ...

Unisolar LLC, was founded in January 2021, by electrical energy engineers and the renewed one: Mr. Bujar Guci in Kosovo. Unisolar LLC was founded seeing the need for a serious company, ...

Summary: Explore how Kosovo's energy storage inverter farms are transforming renewable energy integration, stabilizing grids, and supporting economic growth. Discover the technology ...

Unisolar L.L.C. is the exclusive representative of the company AE SOLAR GMBH, for photovoltaic panels in the Republic of Kosovo and Albania. This made us proud as a company, motivating ...

The Intech Energy Container is a fully autonomous power system developed by Intech to provide electricity in off-grid locations. Each container is equipped with a photovoltaic array, a battery ...
