We are specialized in the production of lithium battery packs & inverters, and can provide you with a complete system. We can also recommend suitable PV panel suppliers for you.

We designed the new 48v 200ah lifepo4 battery pack using high-quality lithium phosphate cells with the highest safety standards and optimal battery structure.

Cxeny 48V 120Ah LiFePO4 Battery is designed as indoor / outdoor activities" emergency power supply. The small size with big capacity can fulfill your needs in a short trip ...

Our LiFePO4solar battery is optimized for a wide range of applications, including solar energy storage. It ensures efficient energy transfer to provide more usable power than AGM or lead ...

Built using advanced lithium iron phosphate technology (LiFePO4), our 48V batteries provide numerous advantages over traditional batteries, including faster charging, longer cycle life, ...

Power up your solar journey with confidence and reduce your reliance on the grid. Unlock the true potential of solar energy with lithium ion solar batteries. Engineered with cutting-edge ...
