Explore how solar fashion blends cutting-edge solar technology with wearable designs, offering sustainable and stylish energy solutions.

Octocool is the leading air conditioned shirt and body cooling clothing store. With multiple high powered fans, our shirts keep you cool in hot environments.

What the present invention relates to is clothes, especially a kind of air conditioner clothing with solar energy.

In the new work, scientists say that the system could be integrated into conventional clothing. Once it is added in, the device can provide 10.1 degrees Celsius of ...
