---

The high-capacity 15KW kit features a 14.336kWh battery for extreme energy demands. With integrated LiFePO4 technology, it offers safety and longevity, perfect for off-grid or remote ...

Experience the Sunchees 15kW off-grid solar system -- a complete PV solution with 16 x 600W solar panels, a 30kWh lithium battery, and a 15kW hybrid inverter (220V).

This 15kW solar energy system offers an all-in-one solution for sustainable, clean energy generation. Whether you're powering a farm, commercial facility, or residential property, this ...

With a robust 15KW capacity and advanced MPPT technology, this inverter maximizes solar energy conversion, ensuring effective energy production and significantly reducing electricity ...

The Intech Energy Container is a fully autonomous power system developed by Intech to provide electricity in off-grid locations. Each container is equipped with a photovoltaic array, a battery ...

Please see Installation Region Map below to determine what region you are located in. Installation option includes: OMO Solar traveling to your ...
