Two large storage projects under discussion in Nepal are the 1,200 MW Budhi Gandaki Storage Hydropower Project with capacity of generating 3,383 GWh of energy ...

Gham Power, in collaboration with its partners Practical Action and Swanbarton, has been awarded a project by the United Nations Industrial Development Organization (UNIDO) ...

Launched by UNIDO Director-General Gerd M&#252;ller, the project aims to reduce industrial reliance on diesel by integrating smart grids and solar-powered battery storage.

This pioneering project is set to transform industrial energy use by replacing polluting diesel generators with a large-scale battery storage system powered by solar energy.

Take Nepal's first solar-storage PPA signed last week - a 25-year deal guaranteeing 14% IRR through monsoon/winter price arbitrage. As Asian Development Bank's energy lead Priya ...

These projects are strategically distributed across various districts, with Kapilvastu district receiving the highest allocation of eight projects totaling 95 MW. The awarded tariffs ...
