How to buy a 3KW solar panel in Delhi?

The MNRE recommends all consumers and vendors sign the model agreement available on the online portal. Following the vendor's selection process, you must complete the solar panel system payment. The consumer can initially settle the entire 3kW solar panel price in Delhi or other capacities.

How much subsidy does Delhi get for a 1 KW solar system?

With this, the total subsidy now stands at Rs 1.08 lakh per household -- the highest ever under any such scheme. For a 1 kW solar system, Delhi residents will receive Rs 10,000 from the state government alone. To widen the reach of this initiative, the Delhi Government launched the 'PM Surya Ghar: Free Electricity Scheme - State Top-Up'.

What is Delhi solar policy?

All government buildings with an area of 500 sq. m or above will have to install solar panels in the next 3 years. The policy also encourages new deployment models including community solar and Hybrid RESCO that help in overcoming space and financial constraints of solar installation. (Read More about Delhi Solar Policy here)

Is solar power a viable option in Delhi?

Yes, solar power is a highly viable option for homes in Delhi. Many solar companies, like Bluebird Solar and Eyconic Solar, offer customized rooftop solar solutions that can significantly reduce electricity bills while supporting environmental sustainability. 6.
