SINOSOAR's Niger branch received the award notification for the 20MWh hybrid project at Gorou Banda, Niger. SINOSOAR will provide a one-stop turnkey solution for the ...

We are offering mini renewable power stations in a Off-Grid shipping Container ready to be deployed worldwide. These include solar PV ...

It ensures maximum energy efficiency by optimizing solar power generation, energy storage, and usage. The system guarantees a reliable power supply during peak times and nighttime, ...

It was concluded that the integration of PV and wind systems into the present grid and diesel systems in Niger Republic, is economically and environmentally viable.

We are offering mini renewable power stations in a Off-Grid shipping Container ready to be deployed worldwide. These include solar PV panels and mountings.

The Intech Energy Container -- or ECON -- is a modular, pre-configured off-grid power solution. It combines solar PV, battery storage, inverters, and energy management in a rugged container.
