There is a light on the side,which can be used as Lighting tools when the home is out of power.

What is the best outdoor energy storage power supply?

The XTAR 678 outdoor energy storage power supply is brand new to the market and we purchased as a Christmas gift. We love to go camping and always need a power supply for charging our phones and other small electronic gadgets. Int the past we always used a gasoline powered generator that was noisy, large/bulky and used a lot of fuel.
