What is Australian folding container (AFC)?

The Australian Folding Container (AFC) has been well received in the Automotive and general industries due to its versatility and user-friendly features. It is used in the light industrial manufacturing sector for storing and transporting an array of components such as plastic mouldings, electrical and mechanical components.

What is a double wall plastic bulk container used for?

Solid double-wall folding plastic bulk container for easy handling in active distribution systems, including liquids. The strongest solid ISO standard plastic bulk container you can buy. Ideal for food processing, meat processing, fish & seafood, metal processing and grape harvesting.

What is a plastic bulk container?

Plastic bulk containers, also known as IBC, pallet bins, pallet crates or pallet boxes, are essential tools in modern logistics and storage. They are folding or rigid, solid or vented, with or without doors, but they are all durable and strong. More &#187;

Why should you choose a collapsible or folding bulk container?

Collapsible or folding bulk containers provide a space-saving solution for storage when not in use, maximising warehouse efficiency. Bins with integrated lids or covers offer secure containment and protection against environmental factors.

This foldable plastic pallet is crafted from high-density polyethylene (HDPE), offering exceptional durability, strength, and ease of handling. With a size of 1162x1162mm and a height of ...
