Who are the leading packaging and containers companies in Russia?

Some of the leading Packaging and Containers companies in Russia include RUSAL, Mondi Syktyvkar, and Mayak Packaging. These companies are known for their innovative, eco-friendly, and cost-effective packaging solutions that meet the diverse needs of their clients.

What are the most popular container sizes?

Our most popular container sizes are 20ft and 40ft. We keep a vast amount of stock in various depots in St. Petersburg, Moscow and other big cities of Russia meaning that we can source and deliver your container quickly and economically. Our new and used containers: Do I Need a New or Used Container?

What is a foldable storage container?

Foldable storage containers are made of trapezoid sheet metal of 0,75 mm thickness, bearing sections of 2 mm thickness and wooden bottom of 35 mm thickness. A double-wing door 1390 x 1390 mm with a handle and a lock is placed in the front wall or a single/double door in the sidewall. The container is equipped with cradle attachments.

What is a used container?

Used containers are always weather proof and structurally sound. They can be upgraded in order to be suitable for shipping if required. They usually have marine ply flooring as standard with four vents for air circulation. Our most popular container sizes are 20ft and 40ft.

Find and discover Containers manufacturers and suppliers for all products in Russia, featuring details on their shipment activities, trade volumes, trading partners, and more.
