It is the global volume leader among Tier 1 lithium battery suppliers with plant capacity of 77 GWh (year-end 2019 data). Range of MWh: we offer 20, 30 and 40-foot container sizes to provide ...

Individual pricing for large scale projects and wholesale demands is available. Max. Charge/Discharge power. The container system is ...

L2 BMS (rack level, built in the high-voltage box): Detect the total voltage and total current of the entire battery pack, and transmit the above information to the upper-level BMS in real time ...

The Bluesun 20-foot BESS Container is a powerful energy storage solution featuring battery status monitoring, event logging, dynamic balancing, and advanced protection systems.

The Bluesun 20-foot BESS Container is a powerful energy storage solution featuring battery status monitoring, event logging, dynamic balancing, and ...

The type of battery technology employed within container energy storage systems often dictates the maximum voltage capability. Lithium-ion batteries, for instance, are ...
