Who is Thai Energy Storage Technology plc?

THAI ENERGY STORAGE TECHNOLOGY PLC. Formerly "Thai Storage Battery Company Limited" was found in 1986 and became a public company limited in 1994. It has become one member of Hitachi Chemical Group in September 2017 and changed the company name to "Hitachi Chemical Storage Battery (Thailand) Public Company Limited" by the time of 3rd January 2019.

Are there grid-scale energy storage projects in Thailand?

There are currently few grid-scale energy storage projects in Thailand, although the situation is likely to change. In furtherance of its commitments under the Paris Agreement, the Thai government has enacted policies which envisage renewable energy accounting for the majority of grid capacity and output by 2040.

Is energy storage a new business model in Thailand?

Energy storage is in its infancy in Thailand, and new business models are already emerging. As the regulatory framework adapts to accommodate new players in the market, we expect to see greater penetration in this area.
