What brands of caravan circuit breaker are available?

We proudly carry top-tier brands like Enerdrive, Renogy, Blue Sea, and Camec, ensuring you get superior quality and durability. A high-quality caravan circuit breaker is a must-have for any caravan or RV owner looking for safe and reliable power management.

What brands of circuit breakers does solar4rvs stock?

At Solar4RVs, we stock circuit breakers from top brands like Blue Sea, Victron, and Enerdrive, so you can trust that you are getting high-quality products that are designed to last. Our products are suitable for a range of off-grid systems, and we offer a variety of options to meet your specific needs and preferences.

What types of circuit breakers are available?

Our range of circuit breakers includes fuses, fuse holders, waterproof/IP rated circuit breakers, DIN mount solar isolation switches, surface mount and panel mount circuit breakers, and more. We offer circuit breakers from 1A up to 300A, as well as circuit breaker enclosures, MRBF, blade, maxi, mega, anl, class T, and midi.

What are circuit breakers & how do they work?

These handy devices cut off electrical power when they detect an overload or a short circuit, making them the unsung heroes of electrical safety in your caravan. There are several types of circuit breakers available, including single pole, double pole, and those with residual current devices (RCDs).
