The industrial research of this project will significantly raise the scientific level in the fields of research and development of battery cells and systems in Croatia.

The company specializes in solar power production and offers battery storage systems, enabling customers to harness solar energy on-site and reduce electricity costs.

Phasebit is a premier manufacturer of lithium batteries in Croatia, specializing in in-house production of BMS systems and innovative energy solutions. Our expertise extends to ...

Ensure top-tier safety for your energy needs with Maxbo's lithium battery storage containers. Designed to meet Europe's stringent standards, our systems feature advanced BMS, fire ...

The choice of BMS determines the quality and lifespan of the final battery pack. Our BMS-Matrix technology is a totally modular BMS solution, allowing you to build a very large capacity or ...

Discover Phasebit's cutting-edge lithium battery solutions, featuring in-house BMS systems and advanced electronics for energy transport. We specialize in green energy technologies, ...
